## OPEN GARDENS:

- 1 **Bridge Garden** Pedestrian portal to the neighborhood, a public garden reclaiming a once-blighted space. The garden created with an SF Community Challenge Grant, and is maintained by a team of neighborhood volunteers. Join our monthly garden workdays! (Contact [mtbeautify@mac.com](mailto:mtbeautify@mac.com) to join the email list; next get-together is 5/15!)
- 2 **253 Theresa** Relaxing backyard full of papyrus, bamboo, and succulents. Perfect for reading by the fire pit or soaking in the wooden hot tub.
- 3 **209B Theresa** Secret succulent garden mixed with brightly-colored flowers.
- 4 **122 Theresa** Roses, succulents, & a variety of green plants surrounded by recycled décor and a bit of whimsy.
- 5 **214 Cotter** A tiffany lamp is the crowning jewel in this Wisteria-covered gazebo garden.
- 6 **731 Cayuga** The front yard is a low-maintenance dry gravel garden w/color provided by poppies, lavender, and fountain grass. The back yard is being prepared for renovation and currently being excavated and graded.
- 7 **734 Cayuga** Zen-like garden w/ whimsical features (tank with fish & glass balls) and a grey water system.
- 8 **783 Cayuga** A tiny labyrinth hides on a terrace in this part-shade backyard
- 9 **156 San Juan** Fragrant corner garden courtyard w/olive tree and berries (open from 2-4pm).
- 10 **107 San Juan** The garden design is inspired by Spanish colonial courtyards, and the planting is a collection of exotic species from comparable climates around the world.
- 11 **373 Capistrano** Lovely sunny garden retreat with flagstone path and patio
- 12 **498 Capistrano** In-progress renovation of sweeping front lawn into lovely landscape
- 13 **160 Otsego** Backyard oasis with glass-mulch pathway and garden studio
- 14 **152 Delano** Colorful front yard flowerbed, a garden collaboration among neighbors
- 15 **36 Delano** Beautiful tree-landscaped front yard
- 16 **2 Otsego** Sidewalk garden featuring colorful drought-tolerant California native plants
- 17 **11 Otsego** Elegant and environmentally friendly lawn replacement (ask how to apply for funds for this!)
- 18 **201 Capistrano** Verdant vegetable garden, delicate Japanese maples and a towering Ash
- 19 **209 Santa Rosa** Backyard greenery includes succulents, cactus, and calla lilies and the front yard's drought resistant trees & plants require pruning & trimming only. No watering!
- 20 **215 Santa Rosa** A sunny backyard garden retreat with patio and separate outdoor living space.
- 21 **285 Santa Rosa** Hidden patio garden wall with bromeliads, ferns, and tillandsias
- 21 **1801 San Jose** Red Sea Market's transformation of a blank wall and challenging sidewalk-adjacent space into a cheerful container garden. Recipient of neighborhood improvement association NMTIA greening award!
