Ahsha Safai/Monica Chinchilla
SFMTA RPP
Outreach
65 Ocean/Presidio Bay Ventures
Lyft GoBike

David, Prudence, Rita, Nancy, Kerry, Chuck

Kathy Studwell, SFMTA, Residential Parking Permit (RPP)

Program manager, RPP, request by Safai to regulate parking, Area D (Glen Park) & V(Balboa Station & Ingleside area) in effect nearby

Contentious Nov 8 townhall, need for survey, in process, probably a month, not online but will have a link for online submission

1. residents have too many cars for number of spaces on street
2. 4 permits per household, proposed limit to 2 per household, no more than 1 per driver
3. Car storage on street/converted garages
4. Survey to 10K households in Mission Terrace, Excelsior, Cayuga area(Eng. Chi, Sp, Fil) 8-10 Q with pre-paid envelope asking how parking is used and support or no
5. Need at least 1K responses, need support of NMTIA, CIA, etc to create response

Q&A—will new housing developments in process get RPPs?; border for area (Ocean? Alemany? Mission?); parking for commercial fleets?; to coordinate before survey; merge with D and/or V?; annual cost \$136 per permit for first 2, third permit is \$272, need a 60-70% consensus with at least 50% in favor; process will take a least a year; per state law RPP can charge actual costs of program results in current costs;

David proposes another meeting with SFMTA Sat Feb 16 morning

[easements out of police jurisdiction since they are private property, so need consideration for blockage of easements]; planning code section parking in alley easements?;

Balboa Pool opening after Feb 16, no longer for Feb 9, probably Feb 23

Ahsha Safai: [new aide Monica Chinchilla, (Cathy Mulkey-Meyer working in Mayor's office)], on RPP based on parking issues; budget for other transportation and traffic improvements such as traffic calming & crosswalks with beacons and bicycle stations by Lyft; property taxes account \$400M surplus with \$185M under discussion 1)parcel tax for education, 2)funding for homeless services, 3)early childcare; street cleaning and improvements but need more 311 calls, [affordable housing income expanded up to 90%AMI]; filling vacant storefronts with community service groups such as ArtSpan; campaign office on Mission meetings on Friday afternoons; co-sponsoring Supervisor Fewer's vacancy fee proposal for storefronts;

Engagement of families with children, such as San Gabriel Halloween closure, 4th of July, Easter Egg Hunt, need to sustain

Lyft Go-Bikes Stations proposed for 3 sites: Alemany & Francis, Delano & Oneida, San Jose & Sgt Young Drive, have been asked for entire proposal to be shown to District 11 Council

Kabir Seth/65 Ocean, adjacent to 915 Cayuga

Cyrus—update: impact of Home SF/190 units, 25% affordable units, 30% 2&3 bedrooms with parking, 70% 1 bedroom with parking, & studios (no parking with studios), public dedicated childcare with 50-75 students with drop-off curb cut on Alemany and open play-space, parking beneath structure for 136 parking spaces, truck and van unloading inside structure, (Midas space could be included), traffic flow on Cayuga issue, 40-50' height, two-car wide entryway, flooding—permeable paving space, roof control runoff stored on property, 5 story on Alemany, 3 story on Cayuga, possible one-way streets nearby at Balboa HS, PBV traffic study will be available with 915 Cayuga report,
